

Clean Claims, Faster Cashflow

- Data flows from patient scheduling and documentation through multi-level auto review, then submission, EOB and payment
- Patient and practice info at your fingertips; make decisions based on real-time analytics
- Know when charge capture is accurate and complete; no more underbilling
- Bill multiple episodes/visits or workers comp cases under a single MRN; auto inclusion of workers comp notes

Flexible & Cost-Effective Billing

- Autorun claims on your schedule
- No clearinghouse fees; no per-claim fee
- 23% average reduction in admin effort

24/7 Customer Care

- Support & Development teams in the US
- 99% same day resolution

Where's your
hidden revenue?
