Everyday 401(k) by J. P. Morgan – Participant Login Instructions:

Below are instructions for logging onto the website and would be instead of waiting for the Welcome email. The Welcome email does essentially the same as this:

Please click on the following web link - <https://www.everyday401k.com>

- When you land on the home page to the right is the Welcome area. For first time users there is a link just below where you would login – click on the link “First time user? Get started.”
- After clicking on that link the user should be brought to a screen where they will be asked to enter in their **SSN** as the ID. Click Continue
- The next screen asks for the default password which will be the date of birth formatted as – **mmddyyyy**. Click Continue.
- The next series of screens are the enrollment wizard where the user may either complete the enrollment process or opt out of contributing.

If there are any issues with the enrollment process or after completing there are issues with logging in or account questions – the following phone number should be called – **855-200-1230**. At the prompt for either a SSN/ password the caller should say “Customer Service” to be connected with a customer service agent.
